Plant Operators Required at CalMax Construction Limited

CalMax Construction Limited is seeking experienced Plant Operators to contribute to our diverse portfolio of construction and civil engineering projects. This position offers an opportunity to engage in meaningful work within a professional and supportive environment.

Why Join CalMax Construction?

Competitive Remuneration:

We offer rates that reflect the expertise and dedication of our workforce.

Professional Development:

Opportunities for further training and qualifications are available to support career progression.

Employee Benefits:

Long-term employees benefit from additional incentives and rewards.

Private Healthcare:

Provided to all permanent staff members.

Who We're Looking For

We value reliability, a strong work ethic, and adaptability. We're interested in people who work well independently and as part of a team. If you're coming from a different sector but have mechanical, technical, or heavy-equipment experience—or are simply enthusiastic about building a new career in construction—we encourage you to apply.

Essential Criteria:

CPCS/NPORS Card – Essential

Full UK Driving Licence – Preferred

Key Responsibilities:

- Operating a range of equipment safely and efficiently across our varied project sites.
- Working with an experienced team on exciting projects that make a tangible impact.
- Aiding in the completion of projects by applying your skill, precision, and commitment to quality.

This role is suitable for experienced plant operators as well as individuals transitioning from related fields who possess applicable skills. CalMax Construction Limited is committed to fostering a workplace where dedication and expertise are both recognised and rewarded.

If you meet the above criteria and are interested in joining our team, we invite you to apply and contribute to the continued success of CalMax Construction Limited.
